

Apprenticeship Standards – Update on Development and Delivery

Dawn Hillier

Apprenticeships

Apprenticeship Reform Programme

Apprenticeships as we know them are changing

Apprenticeship Reform Programme

Ensuring construction apprenticeships meet **industry needs**

Apprenticeship Reform Programme

Supporting development of Apprenticeship
Standards and Assessment Plans

Apprenticeship Reform Programme

Preparing for delivery

Apprenticeship Reform Programme

Managing the transition

Apprenticeship Reform Programme

Driving quality

Challenges

- Ensuring equivalence to National Occupational Standards
- Defining the appropriate level
- Availability of assessors and End Point Assessment Organisations
- Realistic funding allocations

Thank you and please keep in touch
