# CITB Funding 2019-2020

Supporting industry projects that help to address industry skills problems

# CITB Funding

**CITB funding aims to help industry address the skills gap in construction**

**We invest in projects aligned to our three priorities**

- Careers
- Innovation
- Training & Development

Funding  
priorities

To make sure our funding really benefits industry and addresses our priorities, we allocate funding based on a project's impact and outcomes
