

Get Ready to Inspire Careers in Construction

Open Doors is a fantastic opportunity for young people and those looking for a change of career to find out what construction has to offer by going behind the scenes and seeing the wide range of opportunities available.

From Monday 17 until Saturday 22 March 2025, Build UK, its members and partners will be hosting tours of sites, offices, manufacturing facilities and training centres across the UK.

Help us build on the huge success of Open Doors 2024 by getting involved and inspiring the next generation to choose a career in construction!

First Step into the Industry

“Several local students who attended our Open Doors events in 2024 wanted to apply for our apprenticeship and work experience opportunities there and then. This proves the value of the industry opening its doors and showcasing what it’s really like to work in construction, and HSS Hire will definitely be getting involved again in 2025!”
